

# “Snow” - Cones

3 Ingredients - 3 Minutes

## Simple “Snow” - Cone Syrup

1 cup water

1 cup sugar

1 packet of Kool-aid

Combine water & sugar & boil for 3 minutes.  
Remove from heat, add Kool-aid, & mix well.  
Cool & put in containers.

Pack your cups with snow and drizzle the  
snow cone syrup over the top.  
Add a “color changing” spoon for extra fun!

In the picture I quadrupled the recipe. This allows you to adjust for however much you need. 4 = 1 quart. I made 4 of each flavor so I have 1 gallon all together. Super easy & yummy!
