

Today is an important day. Your child will never again be exactly the age he is today.

He will never again be exactly the same person he is today.

You play a vital role right now in helping him become what he will be tomorrow.

You can show your child that Bible truths apply to his everyday life by:

- * Helping your child have positive feelings about himself, others, and God.
- * Bringing him to church.
- * Preparing for Sunday on Saturday to ensure calmness.
- * Leaving home on time so that child does not miss any of their lesson time and so that they do not interrupt lesson time.
- * Reading and talking about the stories we learn each week.
- * Giving your child the best gift...a Christian home.

I am ready and happy to welcome your child. The joy he feels at church today will help him to understand and love God tomorrow.

YOU ARE ENTERING THE WORLD OF A CHILD

If the furniture is uncomfortable and too small for you, remember it fits us just fine.

If you must walk around our games, toys and creations, remember it is through manipulatives and this kind of experimentation that we learn best.

If we are noisy as we work and play, it is because we are learning to live with each other.

If we come up to you, don't be surprised. We are open, friendly, and curious, and we want to know you as our friends.

Enjoy our world, and when you leave, we hope you carry with you some of our enthusiasm
FOR LEARNING!
