

A hug
and kiss
from me to
you.

For when
you're
down
and feeling
blue.

You may
not
smile at a
silly card,
But
frowning
at chocolate
is really
hard!

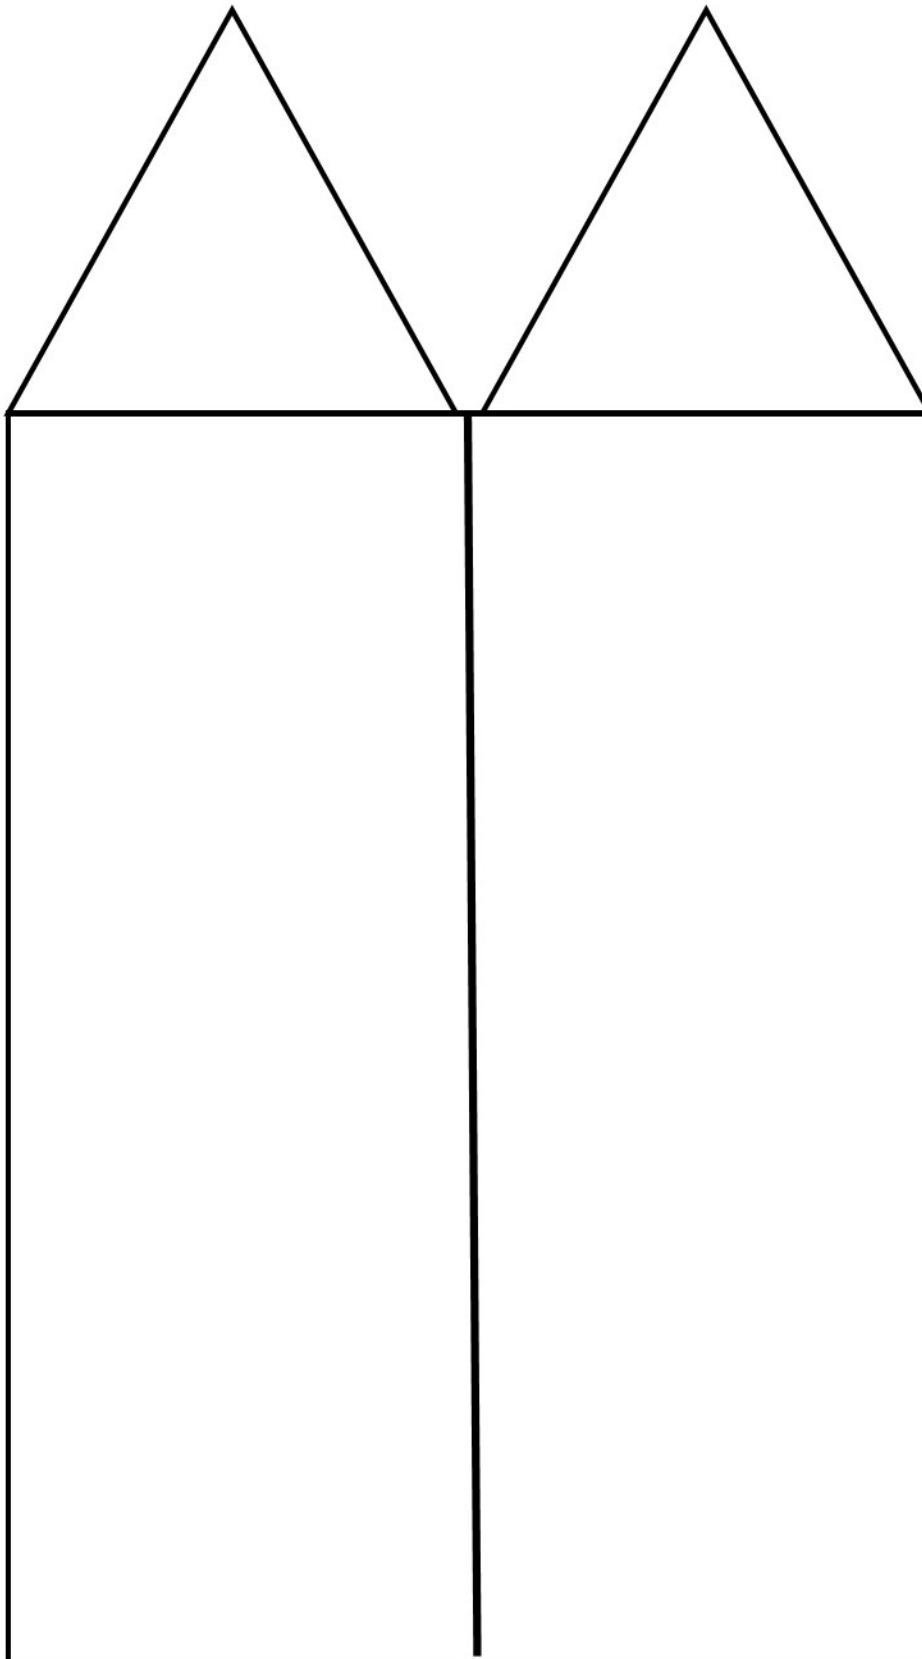

A hug
and a
kiss from
me to you.

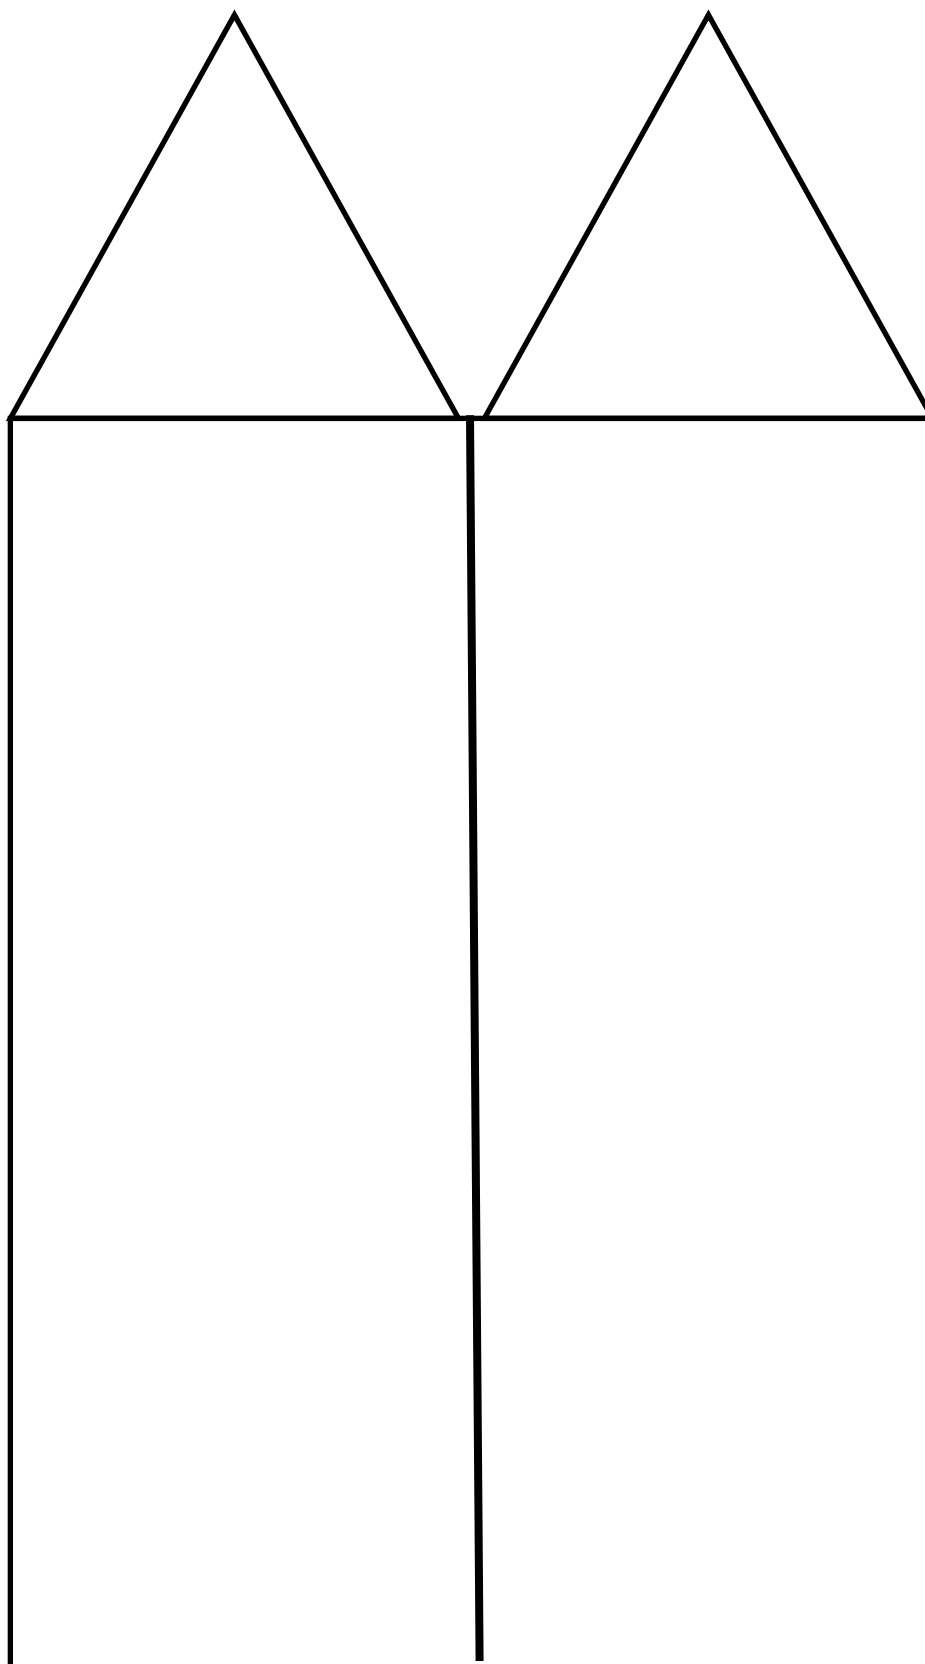

For when
you're down
and feeling
blue.

You may not
smile at a silly
card, but frowning at
chocolate is
really hard!

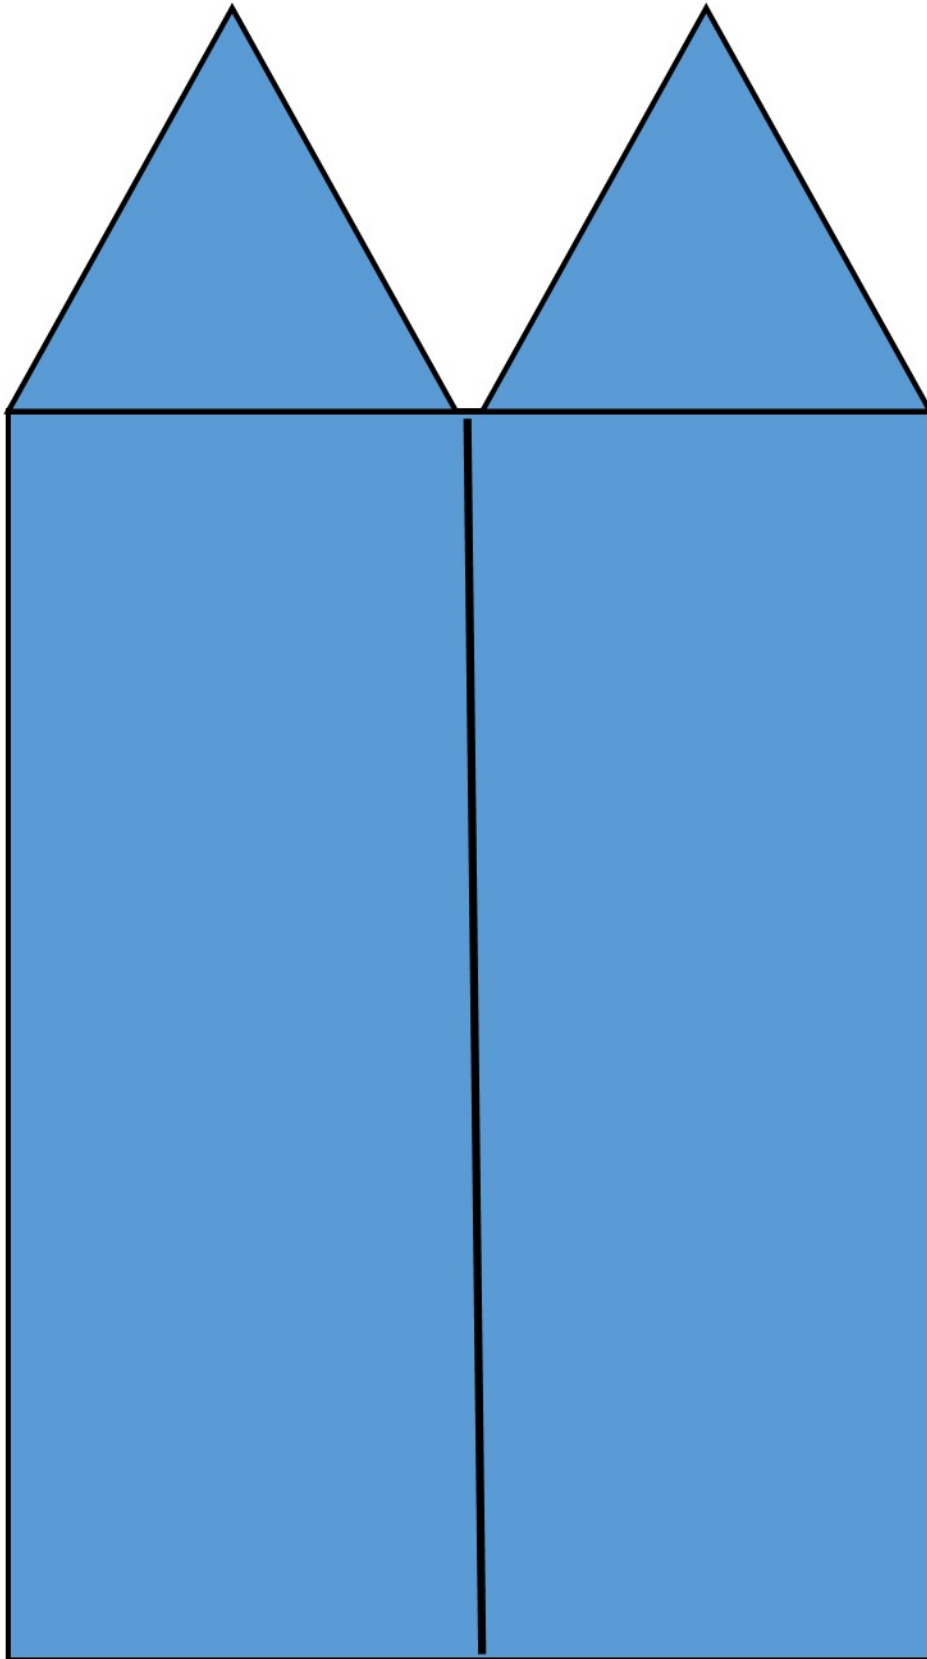

Fold the two triangle tips down to form the shirt collar. Use real buttons on the tips of each collar. Place the necktie beneath the two collars. Place another button below the tie. Use different colors and sizes of buttons to create a unique card. Attach a baggie with some hugs and kisses candies.
